

National Finance Center Customer Notification

Date of Notification: May 29, 2009

Subject: NFC *EmpowHR* Updates for Release 2

Customer(s) Affected: *EmpowHR* Users

Dear Customers:

EmpowHR will begin using the same naming standard for releases as the one used for Payroll Personnel System releases. Release 2 will now be called CY09 PP12.

Software Change Request (SCR) 80175 has been rescheduled for implementation with the SCRs scheduled for PP 12. Please see the *EmpowHR* Web site at www.empowhr.gov/9.0/newrelease2.html for updates to the CY09 PP12 Release. You can also access the *EmpowHR* Web site via the NFC homepage at www.nfc.usda.gov.

If you have any questions regarding this notification, please contact NFC's Client Management Branch at Customer.Support@usda.gov.

Tip of the Week

Agencies are encouraged to run the Missing T&A Reports for Full and Part-time Employees (CULP0013) starting the day after initial transmission of T&A's and the T&A's With Missing Personnel Actions Report (CULP0099) to address T&A's suspended because a Personnel Action is required for accessions, extension of appointments, return to duty, separations, etc.
